PETITION UNDER 37 CFR§1.181

Sir:

This is a petition under 37 CFR§1.181(a) requesting withdrawal of the holding of abandonment of the present application. Applicants submit that the Office Action dated October 1, 1997, as well as the Notice of Abandonment, were never received.

The last communication the applicants received from the USPTO is a corrected Official Filing Receipt which was received on July 31, 1998, after the application became unknowingly abandoned. Applicants thus had no indication at that time that the application was not in order and were awaiting the reception of a first Office Action. Given the apparent delay before the reception of the first Office Action, applicants initiated procedures on December 17, 2003 to obtain the status of the application. Applicants became aware of the abandonment of the application after receiving the file history of the application on January 15, 2004.

Applicants submit the following:

- 1) A statement of facts explaining reasons for said abandonment, with copies of corresponding documents.
- 2) A copy of a docket report showing all replies docketed between October 1, 1997 and January 1, 1998 inclusively for the entire office, in order to establish non-receipt of the Office Action.
- 3) A signed affidavit from a person in charge of entering deadlines into a deadline maintenance system run by the Applicants' representative.

These enclosures are included in order to comply with the requirements of 37 CFR§1.181(b).

Applicants also submit a Terminal disclaimer since the present petition is filed more than two months after the mail date of the Notice of Abandonment.

Applicants claim small entity status.

The filing fee for the terminal disclaimer of \$55.00, as set forth in 37 CFR§ 1.20(d), may be charged to deposit account 19-5113.

Additional fees, if required, may be charged to said deposit account to avoid invalidation of the present petition.

Respectfully submitted,

P. FARLEY and N. FARLEY
